**TO WHOM IT MY CONCERN:**

The present letter serves like recommendation for Pablo G Páez, who is applying to a scholarship to obtain his phd degree in & Telecommunications.

Personally I know Mr Páez, more than 8 years ago and I have had the opportunity to work with in Porta- Conecel Ecuador, Digitel- Venezuela, Brightcel-USA and Unefon-Mexico, therefore, I can give faith of his high level of professionalism and experience in the It & Telecommunications field, those are the reasons why, I take this opportunity to suggest to give him the scholarship which would be very useful for Ecuador and the Ecuadorian IT & telecommunications industry.

I widely recommend Mr. Páez, and I hope that the scholarship is granted to him and he can do the referred studies.

Kindly,
